

Comrie Hills Relay Leg 3

From the Leg 2/3 handover (NN743273) head along the track to the farm. Turn right at the farm and go thro metal gate; follow public footpath. Stay on hard core path and take next right fork. 100m after the small dam take the left fork; continue uphill.

Follow path uphill until it levels out at a large cairn (771293) on the right. Follow a bearing of 070° to find a faint path which takes you to the fenceline and CP6 (NN775295)

Turn right at the fenceline (bearing 160°). Follow fenceline over Meall na Siede to CP7 (NN784283). Turn right here to find a faint path (bearing 200°). Find the Landrover track NN781280 and hurtle downhill to Carroglen Farm.

Go over the metal gate on the left and go thro the farmyard to take the road on the other side of the farm. Turn right at CP8 (NN767253) and follow the path through the bracken. Cross a small stream and 30m later go over a wooden gate. Cross the larger stream and follow the path up the bank opposite. Follow path towards and thro a gap in the wall (bearing 290°). Follow grassy lane to the handover point at Funtulich (NN749263).
